

UNIVERSITY of HAWAI'I

KAPI'OLANI
COMMUNITY COLLEGE

CLASS FORMATS

Location-specific

Location-independent

IN-PERSON

All class meetings are scheduled and location-based. A variety of technologies may be used to support the teaching and learning experiences.

HYBRID

A blend of online and in-person activities with a minimum of one required in-person meeting scheduled at a University of Hawai'i campus or at a designated location.

DISTANCE COMPLETELY ONLINE (DCO)

All instructional activities are fully online. There are no location-based meetings.

Synchronous Online: Instruction takes place in real-time and requires student participation online at a set time

Asynchronous Online: All instruction is delivered asynchronously and is available for students to access at a time that works best for them and may be arranged according to a weekly or other regular schedule.
